See through the windows of modern design with **Fenestram™**

Durable and eco-friendly, rigid yet cost-effective, maintained with ease and ergonomic. This is what Unplasticized Polyvinyl Chloride or uPVC is. Over the years, uPVC has become the benchmark for modern doors and windows. No need to get flustered about it! We got you covered. Introducing Fenestram corporation. As uPVC Doors and Windows Company, Fenestram Corporation is committed to provide premium quality products and services through an innovative and modern approach in planning, fabrication and installation. Every project is handled carefully by a team of motivated and well-equipped individuals to ensure every output exceeds clients' expectations. Having an exclusive partnership with Prominance, Fenestram Corporation is substantiated by accreditation and certification from 2 European standards which is SKZ and BSI. As the only one in the market with 20 years warranty and has a global market presence in countries such as India, Australia, Thailand, New Zealand, South africa, Qatar, Sri Lanka, Nepal and Philippines. Fenestram Corporation guarantees that the claims are not biased by self-judgement but built on confidence and trust through years of experience.

Our History

Fenestram Corporation started in 2013 as a uPVC Doors and Windows Company spearheaded by Mr. Jose Paulo Gonzalez and Mr. Aldwin Roxas. From small beginnings, They dedicated themselves with passion in fabricating and installing uPVC Doors and Windows from one project to another, Fenestram Corporation treats each project as an achievement and seizes it as an opportunity to be known in construction industry. From these small achievements, Fenestram Corporation grew and expanded their expertise, adding glassworks to their product line. This includes shower enclosures, glass railings, back-painted glasses and mirrors.

Our Mission

Synergy of high caliber professionals committed to provide premium quality products and services that meet worldwide standards thereby delivering client satisfaction.

Vision

Our Vision is to be the gold standard in the uPVC windows, doors and glassworks industry.
